For splitting shares name of partner:	
Email:	
Comments:	

A full share for FALL CSA is \$300 payable in full by October 1, 2011. Half shares are not sold but may be arranged privately. Our FALL CSA season is 10 weeks beginning October 20th and continuing each Thursday to December 22nd. All our food is grown naturally without the use of chemical pesticides or fertilizers here at Cascade Farm. Occasionally, we will supplement the share with produce from other local farms – we will inform you if this is necessary. Work is not required for your share however, you are welcome to volunteer when you can (days to be announced). If you have any questions please call 845-878-3258 or email info@cascadefarmschool.org.

By submitting this form you agree to become a member of the Cascade Farm 2011 FALL CSA share. Payment can be made in cash (in person please) or check (payable to Cascade Farm). Please send completed forms and payment to:
